HEIDENAU 

K60 Scout Tires by Heidenau/Germany

The K60 tire is a typical Enduro tire which offers a perfect grip on all undergrounds. The big blocks offer superior long lasting lifetime and the grooves a perfect self cleaning behavior. Perfect match to scrambler customs based on H-D models!

- 618447** K60 Scout tire 90/90-21 M/C 54T TL M+S
- 618444** K60 Scout tire 110/80 B19 M/C 59T TL M+S

Performance Machine Brake Calipers

Performance Machine brake systems have set the standards in the industry for braking. Style and function merge for an ultra clean look with proven differential bore technology for optimal brake performance. Each caliper is machined from billet aluminum to eliminate flex and is subjected to rigorous testing on the PM Brake Dyno before it goes for a ride.
